offered in partnership with a leading Australian Registered Training Organisation (RTO)

<b>OUTCOME</b>	UEENEEM078A Manage compliance of hazardous areas
<b>DURATION</b>	2 days
<b>PREREQUISITES</b>	Students must hold a supervisory role within their place of employment and/or be able to demonstrate plant management or supervisory level qualifications

**WAZP Group**, in partnership with a leading Australian Registered Training Organisation (RTO), offers this certified accredited course in South East Asia.

## WHAT THIS COURSE DELIVERS

The aim of the course is to equip relevant personnel with the knowledge and skills required to ensure that the hazardous area is compliant with legislation and Standards.

The course provides an overview of the following topics:

- Legislative and Standards requirements and duties
- Properties of flammable and combustible materials
- Competency requirements for hazardous area classification, design, installation, inspections, testing and maintenance
- Explosion-protected equipment certification
- Verification dossier
- Safe systems of work for hazardous areas

## WHO SHOULD ATTEND

This course is applicable to supervisory personnel in a business that has a hazardous area within the premises. This includes the Business Owner, Plant Manager, Site Safety Manager or senior OHS/HSE personnel and senior electrical personnel/ supervisors.

## PREREQUISITES

Students must be able to demonstrate that they have plant management or supervisory level experience or qualifications.

## YOUR OPTIONS

This course is delivered as a standalone course over a 2 day period. If students have already completed the Hazardous Area Awareness course, the delivery time may be reduced to 1 day.

Please contact us for more information and pricing on these options.
