

CARDIOPULMONARY RESUSCITATION (CPR)

offered in partnership with a leading Australian Registered Training Organisation (RTO)

OUTCOME	HLTAID001 Provide cardiopulmonary resuscitation
DURATION	4 hours
PREREQUISITES	Nil

WAZP Group, in partnership with a leading Australian Registered Training Organisation (RTO), offers this certified accredited course in South East Asia.

WHAT THIS COURSE DELIVERS

This course will enable students to perform CPR in accordance with the Australian Resuscitation Council (ARC) Guidelines.

Students will demonstrate:

- CPR an adult manikin
- CPR on an infant manikin
- Use of an automated external defibrillator.

In recognition of our client bases, site emergency procedures are discussed where 000/ambulance isn't the main emergency contact, and if site emergency procedures are provided ahead of time, the instructor will refer to them during the training.

In accordance with the Australian Resuscitation Council (ARC) Guidelines, we recommends that CPR Training is refreshed every 12 months.

UNITS OF COMPETENCY

HLTAID001 Perform cardiopulmonary resuscitation

Students are involved in a range of practical activities throughout the training, including performing CPR on both an adult and an infant manikin and the use of an Automated External Defibrillator (AED).

WHO SHOULD ATTEND

This training is applicable to any personnel requiring either initial CPR training or annual refresher training.

YOUR OPTIONS

We are able to provide CPR training for group bookings at your company site or at any of our training centres.

We offers both a CPR course and our nationally recognised Low Voltage Rescue course (UETTDRRF06B Perform rescue from a live LV panel). These courses can be run in succession or as standalone courses. Delivery of both courses in succession requires a full day. Note that current CPR certification is a prerequisite for the unit UETTDRRF06B Perform rescue from a live LV panel. Please contact us for more information and pricing.
